Staffing News
Mr Charlie Watson has accepted a 0.2 FTE Industrial Design Technology (IDT) teaching position with our school and commenced his induction today. He spent much of the day working with Tim, actively cleaning out the old Manual Arts room and placing orders for materials that students in years 7-10 may use. I am sure that students (and parents) will be pleased with this opportunity and will appreciate Charlie’s extensive experience gained from three states in Australia.

Arts Council
On Wednesday 2 March the Youth Touring Program will come to Wallumbilla and they will be offering an acrobatic program titled “Chores: If you do something, do it properly”. It will be offered to students from Prep to Year 6 and will commence at 10.00am. The funds for students to access this performance will be covered for all students through school Rural and Remote Access Program monies.

Accountability Documentation
Each year schools are required to submit a number of documents which provide direction for the school for the coming year. A large degree of consideration and consultation is given to the strategic direction that the school is seeking as well as funding available to progress these goals. Our Annual Operation Plan (AIP), Investing For Success (I4S) and 2016 Budget have been submitted to Regional Office, as required by 28 February. Any parents who would like a copy of any of these documents are invited to access them from the school office.

Get Pinkt Day
On parade, on Monday, students were invited to come and take part in the Family Fun Day that will be happening on 27 February from 12.00pm at Mt Hope 339 Mt Hope Road with fundraising for the local Cancer Council.

Get Set for Work Program
This program is open to students who are 15 years or over and provides young people with nationally recognised training, combined with integrated learning support in a range of external community based programs. I have received a list of available Certificates that are available to young people over the age of 15 years. I encourage any parents who may wish to investigate these opportunities on behalf of their children to contact either Geanine Richardson or myself and we can follow up on your behalf. Please note that these are not school based traineeships, but can contribute to a student’s Queensland Certificate of Education (QCE)

Semester Overview
Parents have requested an overview of important dates and school happenings to refer to. In today’s newsletter we have commenced this and identified some events that we have had confirmed at this point in time. Please note however, that I have labelled the overview “draft” and have included today’s date but emphasis that sometimes changes will inevitably occur. We will regularly provide updates and keep adding to known events.

Bush Dance
Thank you to everyone who attended last Saturday night’s Chaplaincy Fund Raising activity. It was wonderful to see the enthusiasm as well as the bush dancing talents of young (and older) school members.

Homework Club
Last week, Megan Allwood from the Surat Indigenous Co-op visited our school and was able to sign-up a number of young people to attend weekly homework sessions. This week the program will commence and a general invitation is extended to all students to access this additional extra-curricular opportunity. It would be great to have students receive assistance with their homework in our air-conditioned library with adults keen to assist young people in this sometimes problematic area of study.

World Day of Prayer
On Friday 4 March the Wallumbilla Community will hold a ceremony to acknowledge the World Day of Prayer at the Uniting Church in High St from 9.30-10.30 am. We will have three female school students attend and take part in this program by offering readings in the program.

Book Monitoring
At the staff meeting last week, I expressed the intention to collect books from 2 students from each class on a weekly basis. I particularly enjoy seeing the hard work that students achieve and to provide encouraging feedback to all. I hope that parents will also often take the time to see what their children are doing in class and their efforts in different learning areas.
Fire Drill
On Tuesday our school held its first Emergency Evacuation for the year in the form of a fire drill. We are required to regularly hold both Fire and Lock Down procedures as a precautionary measure. I commend students for the orderly way in which they responded to the drill and the speed in assembling on the school oval.

Have a great week!
Regards Julie

Thank you to all the parents and carers for the overwhelming support with our grade 7 and 8 Art Monsters Inc unit. We have been inundated with charitable donations for this endeavour and have more than the amount we need to be successful in this unit. Thank you so much for your help, the students and I really appreciate your support. We look forward to having these completed and on display in our school to show off our students’ artistic ability.

Matt Tomlinson (English/Art Teacher)

Wallumbilla Craft Day
at the CWA Hall, 10 College Street, Wallumbilla
commencing at 9.00 am
Shared morning tea at 10.30 – 11.00am - BYO lunch

All beginners and non-beginners most welcomed.
There is a children’s area, so mother’s most welcomed.

Project for 15 March 2016
Coffee cup cover suitable for either the Office or the Sewing Room

Ideal beginner’s project!

You will need to bring:
2 contrasting fat quarters - 50cm x 50cm (this will enable you to make 2)
1 plain colour fat quarter (to make 2) or 8cm x 115cm of plain material (to make 1)
Button, matching thread and a sewing machine.
We will supply the hair band and interfacing.

For further information contact Eileen on 4623 4271
