Principal’s News

P&C Meeting
Our last meeting for Term 2 will be held next Tuesday 21 June from 5.00-6.30pm in the school library. All are welcome to attend and to take part in this valuable parent forum.

Football/Netball Community Meeting
On Tuesday 21 June we will be holding a community meeting to discuss possibilities for 2017 Football/Netball competitions. Historically all boys and girls have been affiliated with the Schoolboy Football/Netball with a cost of between $35 and $55 depending on student ages and sport being played. This money then covers the costs associated with affiliation, insurance, registration and referee expenses. As a community we need to consider all possible options available for next year, and to determine what our preferred approach might be. It is important that Football and Netball continue to be available to our students, but we need to consider how this might be best achieved and a general consensus be reached that can be communicated at the next Roma District Sports Meeting.

Staffing
Mrs Melissa Graham (substantive principal) will be returning back from leave from the beginning of Term 4 and Regional Office has approved me continuing at Wallumbilla SS as a transitional approach.

Casual Cleaner Register
We are inviting any interested community persons who may be interested in casual cleaning to contact the school office. At times we may have permanent cleaners on sick leave or receive additional cleaning hours to fill. We are keen to compile a register of available people who may be able to “backfill”, should an emergent need arise.

Netball
Congratulations to our Under 10 and Under 12 Netballers who have reached the Grand Finals, which will be played this Saturday at the PCYC courts. We wish them every success.

Homework Club
Thank you to all students who have attended the Homework Club each Wednesday afternoon. We have received notification from the Surat Aboriginal Corporation that they will be finishing up this afternoon program and that it may recommence later in the year when a new co-ordinator takes up the new position (replacing Megan Allwood who is returning to full-time study). Thank you to everyone involved in the Homework Club.

Healthy Fast Food Canteen
Congratulations to our Year 5/6 class who will be busy on Monday Week 11 preparing a range of healthy foodstuffs. A reminder that orders (and money) will be accepted on Thursday and Friday only, to enable the ingredients to be purchased. The students will be actively preparing the orders in lessons 4/5 with meals available for second break.

Report Cards
Report cards are currently being finalised and I am impressed with the positive comments that have been made both in learning areas, as well as in effort/behaviour. Report Cards will be issued to students in Week 11 and parents are invited to contact teachers directly if parent/teacher interviews are required. Because Year 10 students are currently on Work Experience, we will mail their report cards home, so that they receive them at the same time as other students.

School Expectations
This week I focused on “Being Respectful” and reminded students that they need to monitor everything that they say both to, and about other people. I explained that it is not just “what” gets said but also “how” it is said as well as the intention behind the verbal interaction. I emphasised that this is an important lesson to learn not just for a school environment, but also relevant for adults as we make our way in the general wider world.

Lost Property
As we approach the end of Term 2, we have accumulated a large amount of lost property and unclaimed items that are being displayed outside the First Aid Room. Parents are encouraged to have children check their personal belongings particularly lunch boxes and if missing, to look through the unclaimed items. It would be lovely to have things returned to their owners.
Athletics Day
Our Wallumbilla Athletics Day will be held Wednesday 27 July and hope that this enables all of our students (and parents) to attend. More information will be available early in Term 3.

Responsible Behaviour Plan
During Term 2 our BM subcommittee have been meeting and revising our BM processes. In today’s newsletter we will include two documents which we would ask parents to read and provide possible feedback. The first identifies a Flowchart as to the difference between Minor Incidents and Major Incidents and the second document provides more detailed information as to the types of behaviours and examples for reference. Due to limited space it will be included in the next newsletter.

Student Absences
Thank you to all parents who have returned the recent letter home following up unexplained absences during the first half of Term 2. We will be regularly following up unexplained absences on a monthly basis.

Enjoy your week

Athletics training
Athletics training will commence this Wednesday afternoon at 3:05pm. If you would like your child to participate, please complete the permission form that was sent home last week and return it to the office. Training will conclude just after 4pm.

Rugby League 2017
Many of you may have read news articles regarding the 2017 Rugby League season. Currently, Roma State College will no longer be participating in the Roma and District Schoolboys Rugby League in the 2017 season. At this stage, Wallumbilla has not committed to playing in the 2017 schoolboys season, and has not made a decision regarding our possible options. Mitchell Magpies RLFC has already formed a junior association; Injune well may do the same, leaving Wallumbilla and Surat State Schools to come to a decision. At this stage there has been no news where the current RSC students will play next year.

A meeting has been called to decide the future of Wallumbilla’s involvement in Roma Schoolboys Rugby League and Netball. Wallumbilla community members, as well as relevant stakeholders in Schoolboys Rugby League and Netball, are invited to attend a meeting, next Tuesday the 21st of June at approximately 6:30pm. The meeting will take place in the Wallumbilla State School Library, after the Wallumbilla P&C meeting concludes.

Rugby League and Netball
It has been a disrupted couple of weeks in the Rugby League competition. Training will occur this Thursday. Please support your team and coaches by attending training. This will be the last round game before the holidays.

Congratulations to our Under 10’s and 12’s netball teams who will be playing Grand Finals this weekend. Good luck to all involved – I’m sure they will be fantastic games. The finals presentation will be held after the last game at 11:30am, at the PCYC. U8’s will be receiving medallions, team MVP’s will be receiving a trophy. The runner up and winner’s teams will receive trophies too.

5/6 Healthy Fast Food Canteen

Next Monday, the 20th of June, the Year 5/6 students will be running a ‘healthy fast food canteen’ as the culminating piece in their assessment for health. They will be making and serving foods that can be enjoyed as an alternative to fast foods such as McDonalds.

For $5 you can receive one main, a side and a drink to be delivered at lunchtime. Your child has a choice of the following items for sale:

Main
- ☐ Toasted sandwich with ham or chicken with your choice to include cheese and tomato
- ☐ Chicken wrap with chicken, cheese, lettuce, carrot, cucumber and mayo

Side
- ☐ Fruit kebab grapes, strawberries, banana, apple and rockmelon on a stick
- ☐ Salad sticks a number of sticks of two choices listed – carrot, celery, capsicum, cucumber

Drink
- ☐ Fruit Juice with apple and strawberry OR apple, strawberry and orange
- ☐ Fruit smoothie with strawberry, banana, orange and passionfruit

There is also an option to purchase just a main for $3 each.

On a paper bag, please write down your child’s name and order and place the money in the bag. Students then need to place it in the box labelled Healthy Fast Food Canteen in their form rooms, either Thursday or Friday this week. Please be clear about the options your child wishes, so that we can accommodate their needs. You may even choose to cut and stick the table above onto the envelope and tick the boxes they choose. They can also cross out any of the items they don’t want in their wrap eg. mayo etc. We ask that all orders are in by Friday so that we can purchase the required ingredients.

Music

We look forward to welcoming you all to our assembly presentation on Monday, 20th June at 9am. This opportunity allows the students to gain performance experience, which is very important in the lead up to our preparation for The Roma and District Eisteddfod. The following classes will be presenting a small item in the following order.

Prep: Song; B-I-N-G-O; Year 1/2: Song; The Football Song
Year 3/4 Recorder Group; The Lion Sleeps Tonight
Year 3: Guitar Group; Malaguena, The Yellow Submarine, The Hokey Pokey, You Are My Sunshine; Year 5/6 will present their eisteddfod items in Term 3.

Best Wishes
