**Principal’s News**

Last week was an extraordinarily busy time. Our year tens travelled to Brisbane for a successful leadership camp under the watchful eyes of Mrs Smith and Mr Amery. According to the students it was ‘awesome’.

The NRL presented a session on the importance of good food, exercise and good mental health to the Preps to year nine students.

Billy Jackson represented the Roma District at the South West Swimming trials, in Miles.

Most classes were completing unit one of the C2C national curriculum.

Mrs Graham was hard at work at the annual Principal’s conference in Brisbane ensuring she is fully abreast of all current and future educational initiatives.

I believe it was a tribute to Kirsten and her family that so many of Kirsten and Nathan’s Wallumbilla classmates were present to pay their respects at Kirsten’s funeral. The spirit of this school was shining brightly, as was the spirit of this community.

**Year 10 Leadership Camp**  
Last week our Year 10s went on their first leadership camp to Brisbane. This camp required students to work in teams to use all forms of public transport (bus, ferry and train) as they tried to navigate to their required destinations on time. Bayley, Isaac and Kayla managed to find the Gallery of Modern Art and explored the interactive Obliteration Room while Alex, Emily, Caitlyn and Cody navigated towards Queen Street and spent the morning exploring the streets. Both groups combined to experience an indoor vertical maze and leap of faith at The Gap SHS, and saw the city from the top of the clock tower at City Hall. A night of cricket at the Gabba followed, along with some students’ first taste of Mexican food at Southbank.

Day two kicked off with a slightly delayed journey to the University of Queensland, due to a few confusing directions (“The ferry leaves from North Quarry,” said Isaac. “Near Coordination Drive,” Alex replied). After getting a taste of uni life and taking part in a human movements’ activity, the Year 10s visited the Santos head office for the afternoon. They checked out the ‘War Room’ for controlling all of the sites and attempted to build a tower of spaghetti and marshmallows to show their employability to the recruiters. After dinner and a movie at Indooroopilly Shopping Centre, the Year 10s went back to their accommodation to prepare for their bus journey home to Wallumbilla the next day.

Overall, students developed skills in both navigating the city and working as a team, and demonstrated clear leadership qualities that will no doubt assist them in their future endeavours.

Bayley, Isaac and Kayla add their spots to The Obliteration Room at the Gallery of Modern Art
Students enjoy Mexican tacos, tortillas and burritos at Southbank.

Bayley, Cody, Isaac, Emily and Alex check out the Cricket World Cup match at The Gabba.
