**Open Classroom**
Parents are invited to attend an “Open Classroom” on Tuesday 22 March to enable them to appreciate what their children have been learning in Music this term. This will showcase student efforts and each class will perform for 20 minutes followed by a light afternoon tea. Parents are requested to bring a small plate to share.

- Year 3 / 4 - 9.00 - 9.40am
- Year 1 / 2 – 9.40-10.20am
- Year 5/6 – 12.10-12.50pm
- Prep – 2.20-3.00pm

We look forward to welcoming you for these music presentations by students.

**ITD Teacher**
Last week we welcomed Mr Charlie Watson to our school as our Industrial Design Technology (ITD) teacher for 2016. It is planned to have a transition occur with Charlie working with Secondary teachers who provided the introductory course requirements for students in years 7-10 since the beginning of term 1. Charlie is very passionate about this subject area and keen to share his knowledge with students as they start practical application if ITD in the work area.

**Health Screening**
On Friday 4 March, the Health Screening Service will be at our school undertaking hearing checks for students in identified groups eg Prep, and Year 6 students. Permission forms have previously been sent home and most have been returned. It would be appreciated if any outstanding forms can be returned before Friday and students will be assessed in the Sick Bay.

**Instrumental Music**
Just a brief reminder that students participating in the School’s Instrumental Music program who have their own musical instruments are required to pay a levy of $25 to cover the costs of using copyright costs and photocopying of music.

**Football/Netball**
Thank you to everyone who has volunteered to coach our Wallumbilla students for this year’s football and netball competitions. Some of our teams will combine with other schools to enable the required numbers to be met. The March Past will signal the commencement of the sporting year and will take place on 12 March at 8.30am in the car park between Arthur and Wyndham Streets in Roma. Please return permission forms and any outstanding monies to the school office ASAP. We look forward to another enjoyable and successful season with students actively involved in this extra-curricular sporting opportunity.

**Arts Council**
Students in all years attended the presentation titles “Chores: If You Do Something, Do It Properly” this morning. I apologise to all because I advertised it as only for Prep- Year 6 when, in fact, all students enjoyed the program today. The hilarious slapstick acrobatic shared the message that when a big mess is created then cleaning must follow – a great message to be reinforced for young people.

**Homework Club**
It was wonderful to commence homework club last Thursday with 3 students who attended the first session. The intention is to trial this day and timeslot until the end of term 1 and determine whether or not football/netball training commitments have impact. If that is the case, then we will look at a possible alternative day which could occur from the beginning of term 2. We are optimistic that students will see value in attending the Homework Club and that it will benefit them in consolidating classroom learning in their homework requirements.

Have a great week!
Regards
Julie

HPE News

Hi all! It has been an incredibly busy year already in the sporting arena... Brady Swan and Matthew York both made the Roma and District swimming team to compete at the South West Trials. Matt unfortunately was sick on the day but Brady came a very respectable 7th place in his event.

Wallumbilla also has some Roma and District Rugby League representatives. Congratulations need to go to Josh Latham and Clancy Williams who represented Roma and Districts at

the u14 Adrian Vowels cup on the weekend. Roma came out champions – well done boys. Matthew Williams has also made the U11 Roma and District side, who will tour around South East Queensland in the coming weeks. Well done Matt.

During the first two weeks of the season, Under 10 and Under 12 Rugby league players will participate in Roma and District trials during their respective matches. Opening day for both Rugby League and Netball is on the 12th of March. A letter went home yesterday outlining some details. A notice has also been handed down this week with regards to our under 8’s team. Players who are four or five years old will not be able to play Rugby League until they turn six years of age. The NRL’s insurance and regulations will not cover players who are younger than six. My apologies to parents who have already paid for the season, Judy will refund you if you need at the office. The under 14’s side will be combining with Roma State College, but will train with the Under 12s. I am waiting to hear from RSC with regards to a coach. If you have any further questions please don’t hesitate to call Mr Mathewson on 4629 8888.

Football and netball training will commence tomorrow. Please bring footy boots, head gear (if required) and a mouth guard. Registrations are currently being processed. The process has changed since last year and this will be discussed at the start of training. Training will begin at 3:20pm. A big thank you to the students and parents who have brought back forms and money to the office so promptly. Please get your forms in as soon as possible so we can get players insured and registered. Please be at games 30 – 45 mins beforehand so warm ups can be conducted.

Rugby League and netball playing times for week one - 12th of March (after opening day procedures) are as follows:

Rugby League
U8’s – 10:30am – RSC Junior
U10’s – 9:45am – RSC Middle
U12’s – 11:15 – St Johns
U14’s – RSC Senior.
