NAPLAN TESTS:
Well done to those students in Years 3, 5, 7 & 9 who completed NAPLAN testing last week. I am certain they all enjoyed the light breakfast that was supplied to ensure they were alert and attentive. It was particularly pleasing to see the commitment by our students to do their very best.

Woolworths Earn and Learn

During last year’s Earn and Learn promotion we collected 1118 sheets. Making a total of 33540 points as each sheet held 30 stickers. Compared to this years collection there are 60 stickers per sheet. We would love to pass last years total, so will need at least 559 sheets.

Your help is needed to help us achieve this goal. If you have any stickers, please drop them off at the school or place them in our box at Woolies. Thankyou to all who have contributed so far. Your efforts are greatly appreciated.

This week we are close to being a quarter of the way there.

Important Meeting. Wallumbilla Health Service

As most are aware, the Qld government is continuing to assess various sections of its workforce and services to make ongoing cost cuts. At the recent meetings of the chairpersons for the Community Advisory Networks, the chairperson for the South West Hospital and Health Board were unable to confirm that Wallumbilla’s health service would remain untouched. It is therefore a very important time for our community to support our health service. As yet the Community Advisory Network has been unable to attract a lot of interest so we are trying to get some more input.

Community members are invited to attend a meeting with Peter Axten from Aspex Consulting at the Wallumbilla Health Service at 11.00 am on Friday the 24th of May. Peter is keen to hear from the community about how the service is going and if there are suggestions for improvement or changes in the future.

Alternatively, community members can attend the next CAN meeting at 2.45 pm on the 27th of May.
If you are unable to attend but have some suggestions please telephone Annette Cavanough on 4623 4690 or Emma at the Hospital.
