Principal’s News

SCHOOL OPINION SURVEYS:
It is now time for the annual school opinion survey process run each year by DETE. With today’s newsletter 40 families (chosen by computer sampling technique) will receive the survey form. It asks you to indicate your opinions on a number of questions regarding the school and its performance. If you receive a survey please do your best to complete it and return it to the school office by this Friday (26th Jul). The survey is confidential and responses are not read at the school. Please call me at the school if you have any concerns about this process.

This survey is also completed by all students from Years 5 to 10 and by all staff members.

PREP ENROLMENTS FOR 2014:
We have already completed enrolments for 7 Prep students in 2014. Please make sure that anyone you know with eligible students is aware that we are taking enrolments now. Parents of Prep students should contact the school office for an enrolment package.

Remember: to be eligible for Prep in 2014 children should have been born between July 1st 2008 and June 30th 2009, meaning they will turn 5 years of age before July 1st next year.

THANK YOU:
My sincere thanks go to Mr Amery for his commitment to getting our students ready for the athletics season. The extra training sessions he is giving up personal time to run, will help students who attend to improve their skills and performance. Please make every effort to have your child avail themselves of this terrific opportunity.

P & C MEETING:
Tonight (Tuesday 23rd July) at 7.00pm in the school library. All welcome to attend.

ATHLETICS CARNIVAL:
This event is now getting very close – Friday next week (2nd August). Some events will be run in the lead up to the main day on Friday. A timetable of these will be published next week in case parents wish to attend them.

RUGBY LEAGUE / NETBALL:
This week is the final round of games in the Roma & District season. Please check the game times / venues below.

Training will be held for all teams on Thursday afternoon (unless otherwise advised by the coaches).

Please note that our U8 Green footy team and U10 netball team play in Injune this weekend.

STUDENT LAPTOPS PROGRAM:
I would like to remind parents of our Year 9 & 10 students of some of the conditions of the take home laptop program. The most important reminders are:

1. Students should have their laptop at school every day and it should be charged for use;

2. Students should always be saving their work in at least 2 different ways – at least one of those should be on the computer itself (D or H drives) and another should be on a USB or other portable device. This means that students will not lose work if the laptop malfunctions and I have to re-build the machine. Students are reminded of this process.
3. Often by their teachers but I still get regular cases of work apparently being ‘lost’.

4. Students should be reporting any damage immediately that it occurs – even as simple as a key coming off the keyboard or if a screw falls out. We have a maintenance contract with ACER and damage is assessed and fixed as soon as possible – if it is reported.

Please speak with your children about these matters and try to help them to do the right thing.

Wanted to Borrow or Purchase
Do you have a 12 to 13 hand pony that you would like to be made bomb proof? Darcy Cavanough is training to attend the State Pony Club Mounted Games competition in October at Paradise Lagoons. Our problem is that his horse is not ideal because of his size. A pony is needed as mounted games entails that the horse is trained to allow the rider to be able to do the following:
• Vaulting on/jumping off while on the move
• Crawling through hurdles on the ground (near the horse)
• Carrying polo racquets and hockey sticks

We will rug it, feed it and train it, if we can be guaranteed use of the horse for the state event.

Please phone Annette Cavanough on 4623 4690 if interested.
