Welcome back students, teachers and parents. I hope all families had a lovely September holiday break.

Please find attached to the newsletter our coming events calendar for Term 4. Please note any changes or updates will be posted on the School Website calendar and noted in the newsletter.

Student Values
This week on parade I reviewed the playground rules which are outlined in the school diary on Page 18. In particular, I focused on the topic of being safe by ensuring that rugby balls are kicked on the oval only. Students will be reviewing each of the 4Bs for the playground using the diary this week, as part of their form class time.

School Eisteddfod
This week our students will be preparing for Eisteddfod performances in class. The classroom pieces are the culminating task from Term 3, as a result of the student work completed with Michael Bradshaw and Mrs McArthur in the classroom music program. The Eisteddfod times and dates are outlined in the music report in this newsletter.

Student Council
Our Student Council will be making decisions this week regarding the purchase of school resources from the proceeds of the School Garage Sale. The final fundraised amount was $1,356.00.

Staff Transfers
Our 2017 transfer process has been finalised and Rachel Singe will transfer to the Gold Coast Region for the start of the 2017 school year.

TYME Tour
Congratulations to all students and staff involved in the TYME Tour Excursion. Students represented the school with pride and performed well at all venues. Well done to both students and staff for a very successful TYME Tour (without the TYME!).

**Swimming During PE Lessons**

Welcome back to school for another term. We have a busy term ahead with all things sport. Swimming lessons during PE lessons will begin for classes from Prep to Year 10 in Week 6. We are hoping that by Week 6, that the weather will be a lot warmer to assist with our swimming lessons. Swimming will occur on normal student PE days and a letter will be sent home in the coming weeks. Please ensure that notes are returned and students bring their swimmers for each lesson.

**Tennis Training**

Tennis will re-commence again this week on Wednesday and Thursday afternoons.
