**50th Reunion Celebrations – Wallumbilla Secondary Department:**
A meeting will be held at the school on Tuesday 19th March at 7.00pm. The purpose of the meeting will be to form a committee to plan and run the 50th reunion celebrations for the school’s secondary department.  
The Wallumbilla Secondary Department was officially opened on 10th April 1965. The P & C are keen to get in early and start planning towards what should be a cracker of an event. Please talk to your relatives, friends and neighbours and let them know about this initial meeting – Tue March 19th, 7.00pm in the school library.

**SCHOOL CALENDAR / PLANNER:**
Attached to this newsletter, for school families, is a 2013 calendar of events / dates. This document may help you to plan towards certain events that will impact on your family throughout the year. The calendar will be updated each term as new events are added or if any deletions / changes need to occur.

Please keep it on your fridge or in some other prominent place to refer to regularly.

**PARENT TEACHER INTERVIEWS:**
Parent teacher interviews will be offered on **Tuesday 19th March between 3.15 > 5.15pm**. A booking form will be distributed later this week.

**YEAR 2 CLASS:**
I wish to advise all parents of students in Year 2 of an impending change affecting your child’s class. Mrs Reilly will be taking maternity leave from the beginning of term 2 (after Easter holidays)- congratulations Mrs Reilly. Mrs Reilly will be replaced by Mrs Geanine Richardson – Mrs Richardson is an experienced teacher who has already worked in our school over the last 2 > 3 terms. Mrs Richardson actually taught the children in Year 2 late last year for a short period. She is aware of the students, their abilities and their development to date. With the 2 teachers (Mrs Reilly and Mrs Richardson) both working in the school currently there will be an efficient and effective changeover for the class.

I am aware that this class are the students who have already had several staff changes in their short educational career. However, I am very confident that this change will have a low impact on students learning continuity. Mrs Richardson is expected to be the class teacher throughout the rest of 2013. I am very happy to discuss any parent concerns about this matter if you wish to call.

**P & C COMMITTEES FOR 2013:**

FOOTY / NETBALL TRAINING:
The first training sessions of 2013 will commence this Thursday afternoon (7th) from 3.15pm onwards. All intending players, coaches and managers are asked to be available for a short meeting first (in undercover area) and we will then move to the training sessions.

FOOTY / NETBALL NEWS:
We are moving closer to the start of the 2013 Roma & District season for football and netball. The draws should be available very soon.

March Past day is definitely Saturday 16th March. The students will all play some games on that day – the football games will be used to select age based representative teams for the season.

On Wednesday this week (6th) (weather permitting) we have students involved in the annual Vicki Wilson Netball and National Schools Cup football competitions. Students involved in these teams need to be in Roma by 8.00am at the latest. The footy players will meet their coach (John Birkett) and fellow team members from Mitchell and complete some training drills.

Mr Booth is accompanying the footy players as team manager and Mrs York / Miss Sainty are working with the netball girls for this event.

TEACHER AIDE POSITION:
I urgently need to hear from anyone who may be interested in a temporary position as teacher aide at the Wallumbilla P–10 State School.
The position will be for 17.25 hours per week (3 days) and will commence as soon as possible. The position will be temporary until December 13 this year. Days of the week are negotiable for the successful person.
No formal application is required – simply phone me on 4629 8888 or 0429 124 794 to express your interest in this position. Due to the urgency expressions of interest are required no later than 4.00pm on Thursday (7th March).
Reasonable standards of proficiency are necessary in literacy and numeracy skills.
If several expressions of interest are received a formal application may subsequently be required.

THANK YOU:
Recently the school purchased some musical instruments (8 guitars and a keyboard) from a store at Morayfield. We had been experiencing some difficulty in arranging the transport of these back to Wallumbilla (trying to avoid a $400 freight bill).
Luckily (and happily) for us Kevin and Claire Kehl happened to be in the area last week and they have brought back the bulk of the instruments for us. Our sincerest thanks go to Kevin and Claire for this terrific piece of assistance. Your community spirit is much appreciated!!

A thank you also goes to Noel York for supplying a couple of HUGE bales of mulch hay – very much appreciated Noel.
