Principal's News

Thanks to all P&C members, staff and community for contributing to the Annual P&C Trivia Night. It was a great night with some very interesting costumes from the ‘your era’ style. Our competitors were The 50s Joy Division, The P&C Pimps, The Old Fossils, 60s Children, Super Mario Bros, XGen, Bar Keeps, Naught Nannies and the Left Overs.

Our overall winners were the XGen team, consisting of Mathewson and Cormack families. Thanks all for a great night and for assisting to raise some funds for the Wallumbilla P&C. I would like to also thank the Year 10 students for being excellent judges and participating in good spirit throughout the night.

Have a great week.

Year 7/8 Immunisation Round

Final immunisation round for 2016 planned for Thursday 3rd November, just before morning tea.

Lost Property

There is a large amount of winter jumpers and tracksuit pants that have no names and are sitting in LOST PROPERTY. All items have been washed and if you think that you are missing something, please come and look through the pile which will be in the Sick Bay all week.

PLEASE remember to NAME ALL PROPERTY, as this makes it much easier to return it to the owner.

Tennis Coaching

Thank you all for the great tennis coaching sessions we have had over the last 10 weeks. Although the rain made it hard at times, students have been showing up and giving it their all which has been fantastic to see. Due to the weather becoming incredibly warm now on the courts, this week will be the last week of after school coaching available. It has been a pleasure watching the students improve each week and I hope they have all taken something away from this experience and will return to playing tennis when their next chance arises.
